

THE
MIRACLE
LEAGUE
of Michigan

The Miracle League of Michigan 2014 Capital Campaign

With the help of The Miracle League of Michigan, children and adults with disabilities truly get the chance to feel like the champions they are.

Is it a miracle? Perhaps. But it is what we do every day.

To ensure that Miracle Field in Southfield, the home of an inspirational baseball league like no other, is able to handle the continued growth we expect for the program, *we need your help*.

The Miracle League of Michigan provides these children and adults an opportunity to play baseball in an organized league. But it is about much more than just participating in a sport. It is about helping to support the *health and wellness* of these individuals, it is about *families spending time together* and having *memories that will last a lifetime*.

Dedicated to the League, Miracle Field hosts more than 400 boys and girls and over 800 volunteers in dozens of games each year. For more than a decade Miracle Field has been a cherished part of the community and now there is an opportunity to make it even better.

The Miracle League of Michigan Capital Campaign

After 10 successful years several improvements are needed to make Miracle Field in Southfield an even more meaningful experience for the ballplayers, family members, friends, and volunteers who attend and work the games each year. With your help this Capital Campaign will build a bright future for the League and ensure that Miracle Field will remain a viable community resource in Southeastern Michigan.

We are looking to raise \$250,000 in order to make these improvements a reality.

Money raised during our 2014 Capital Campaign would allow The Miracle League of Michigan to:

- Create a new building that combines modern restrooms with a larger, more permanent concession stand.
- Add new handicap-accessible features to the restrooms.
- Add shelter for players and fans in case of inclement weather. Currently no such shelter exists leaving many families with no options for a safe, dry area.

Please support us in the goal of ensuring that our children and adults continue to be champions.

With your support, Miracle Field can continue to be a community resource where families can make memories for many years to come!

For more information and to make a donation, please visit
