

*The* **MIRACLE LEAGUE of MICHIGAN**  
**2014 CAPITAL CAMPAIGN**

- What is The Miracle League of Michigan? It's hope, determination and a display of human spirit that is unequalled. And of course... there's baseball.
- There is something special about playing baseball that lights up a youngster's eyes, but for children and adults with special needs, that opportunity can often be difficult to achieve.
- The Miracle League of Michigan removes the barriers that keep children and adults with special needs off the baseball field and lets them experience the joy of America's pastime.
- It is about making new friends, building self-esteem and being treated just like their able-bodied peers. To help the athletes, the Miracle League of Michigan uses a "buddy" system - pairing each player with an able-bodied peer.
- As a result, the parents, children and volunteers are brought together in a program that enriches the lives of those with disabilities.
