

# EASTERSEALS MIRACLE LEAGUE

*Making Dreams Come True*

Dylan can't walk, but it doesn't stop him from rounding second base. Jennifer has Down's syndrome, but the Miracle League has given her more self-esteem than her parents ever dreamed possible. Kyle can't hear, but the cheers of his teammates have never been louder.

What is Easterseals Miracle League? It's hope, determination, and a display of human spirit that is unequalled. And of course... there's baseball. Our custom-designed surface accommodates wheelchairs, and assistive devices, while helping prevent injuries. We believe every child, regardless of their disability, deserves a chance to play baseball.

To assist the athletes, our Miracle League uses a "buddy" system - pairing each player with an able-bodied peer. As a result, the parents, children, and volunteers are brought together in a program that enriches the lives of those with disabilities.

## Sponsorship Makes Dreams Come True

If you believe that EVERY individual deserves to play baseball, please consider supporting our League by becoming a League donor or sponsor. Sponsorship dollars go directly into programming, field upkeep, and maintenance. (Donations are tax-deductible.) To ensure our program is here for years to come, we need your help. Thank you in advance for considering a donation/sponsorship. Your support is greatly appreciated.
